YEARS OF CHANGING LIVES . . .

College

STATE CENTER COMMUNITY COLLEGE FOUNDATION

2007 FISCAL YEAR ANNUAL REPORT

Join us in celebrating our

20TH ANNIVERSARY

In 1987, under the direction of Chancellor Dr. Bill Stewart and the leadership of Executive Director Dr. Jim Meinert, the State Center Community College Foundation was established. The mission has not changed in two decades: to encourage philanthropic gifts that directly enhance the access to and quality of community college education for the students and faculty of the district. Over the years the Foundation has provided a stepping stone out of poverty for many people who might never had sought a higher education. Providing consistent oversight is the Foundation Board of Directors, a notable group of some of the most outstanding community leaders present in the Central Valley. Today, the Foundation has \$12.8 million in assets, strong leadership, and a track record of hundreds of successful students.

Chancellor's Message

The Foundation has been making history...one student at a time...for over twenty years. Since its inception in 1987, the Foundation has grown to more than \$12.8 million in assets. These funds are a direct result of the generosity our donors have shown over the years. As a supporter of the Foundation, you have demonstrated your commitment to providing educational opportunities for students that may not otherwise have the ability to attend.

State Center Community College District is committed to opening its doors to all who are motivated to learn and enrich their lives. The Foundation is a critical part of making students' dreams become realities. Together, we are creating new learning pathways and new opportunities for students.

As you read this report, I challenge you to look for opportunities to become more involved in SCCCD. Through your gifts of time, treasure, or talent, you can be a part of making history....one student at a time.

A handwritten signature in cursive script that reads "Tom Crow".

Dr. Thomas A. Crow
Chancellor

President's Message

Dear Friends of the Foundation,

As president this past year of the Foundation, I reflect back on the generosity of so many people who helped us raise funds for student scholarships, programs, and our first-ever capital campaign. What a year!

Restoring the Old Administration Building at Fresno City College is an endeavor that is consistent with honoring the role higher education has played in our community. So many of us have fond memories of either that beautiful building or the college we attended. Many of us credit that life experience with our choice of career or even our choice of spouse. At the time of this printing, we have succeeded the halfway point of our goal. We are confident of the imminent success of the campaign.

The capital campaign has afforded the Foundation a surprising benefit—a higher profile in the community. The attention the Foundation has garnered as a result of the campaign has highlighted our primary mission of providing much needed scholarships for students. We are pleased to report to our friends that the number of scholarships is up and increasing every year. That is fortunate because the need to help students becomes more necessary with each passing year.

Thank you for your continued support of honoring the past through your support of the OAB, and for your help in providing an optimistic future for many of our students through your membership as a Chancellor's Circle Member, Heritage Society Member, or scholarship donor. We are proud of the work of the past 20 years, and look forward to a bright future enriching the lives of our students—one at a time.

Sincerely,

A handwritten signature in cursive script that reads "Gary Renner".

Gary Renner

Foundation President

Statement

OF FINANCIAL POSITION

For the Year Ended June 30, 2007

ASSETS	2007
CURRENT ASSETS:	
Cash	\$ 122,564

STUDENT

Success STORY

Many community college students have overcome personal obstacles on their way to a higher education. Having struggled with a reading disability in her high school years, student Shareea Cummins-Wright did not pursue college classes when she was 18. Instead, she married the father of her young sons and took a job to help out with the expenses of running their household. Her work experience was inconsistent, though, as she dedicated considerable time to providing care to her father-in-law who eventually lost his battle with cancer. Finding herself at age 25 the single mother of her young boys and realizing that her lack of education would always be a barrier in her ability to adequately care for them, she completed her GED and enrolled in college courses. This year juggling part-time work, a small apartment, and full-time enrollment at the Madera Center, Shareea was a recipient of the Madera Kiwanis and Lions Club scholarships last semester. She is now earning college credits in her second semester, will complete an Associate in Science degree in Business Administration shortly, and plans to transfer to a local 4-year university next fall. "I love the Madera Center, and appreciate that I can attend a flexible class schedule with very reasonable fees. I am very grateful to the donors of my scholarship. Their gift represents so much more than financial help. It feels like a vote of confidence, and in turn I feel inspired by their investment in me and my family's future."

RENAISSANCE *Feast* FUNDRAISER

The Renaissance Feast for Scholars is the only special-event fundraiser hosted annually by the Foundation. Set in the stunning reference room of the historic Fresno City College Library, the Feast has emerged as one of the area's most notable social events. Authentic Renaissance royalty and court performers entertain guests throughout an evening that includes professional actors and musicians, festive social interaction, gourmet food and an exciting auction. Because this is a unique experience for all those who attend, a prominent venue for interaction with business and community leaders, and proceeds of the event benefit a worthy cause, the Renaissance Feast for Scholars sells out every year. Through ticket sales, sponsorships, and auction proceeds, funds are raised for student scholarships and general support of the mission of the Foundation. We sincerely appreciate the enthusiastic support of our business sponsors and scholarship donors.

POWERFUL FACTS AND FIGURES...

- More than **50%** of community college students are the **first** generation to attend college
- **55%** of district students qualify for financial aid
- Average cost per year for a full-time student: **\$1500**
- Average cost of a community college textbook: **\$90**
- Average annual student scholarship: **\$500**

A LEGACY

Renewed CAPITAL CAMPAIGN

The capital campaign to restore the Old Administration Building at Fresno City College is an incredible opportunity for the community to help restore and renovate a building that has meant so much to so many people over its 90 year history. As the home of higher education in the Central Valley and the institution that provided training to most of the Valley's early teachers, the beautiful building is now under construction. Once complete, it will return 100,000 square feet of educational space to the campus. It promises to also restore the building that in the past was – and promises to be in the future – the center for culture and the arts, not only to FCC students and faculty, but also to the entire Valley. The generosity of many individuals, alumni, businesses, and foundations, proves this project is one of the most compelling philanthropic endeavors Fresno has ever experienced.

Friends OF THE FOUNDATION

We're pleased to acknowledge the gifts made by so many to benefit our growing enrollment of students and special programs.

Chancellor's Circle

The Chancellor's Circle is an exclusive membership honoring our most involved donors whom have invested at a leadership level. Members interact regularly with our Chancellor influencing significant District decisions and helping make a positive impact on the workforce and community.
