## Financial Security Even After a Loss

Protecting your loved ones is one of life's greatest responsibilities. When a family loses someone, in addition to grief, survivors may suddenly be faced with costly expenses and debts, and even a loss of income. **Universal Life/LifeEvents can help.**

**Universal Life** provides a consistent lifelong benefit for employees 65 and older. The **Universal Life Events** program is available to employees under the age of 65 and offers a higher death benefit during your working years, when your needs and responsibilities are the greatest. You can choose a benefit amount that provides the right protection for you.
