IMMIGRATION ENFORCEMENT

If you are approached by someone asking you for information about a student or employee, don't panic. Follow our procedures:

- Do not provide them with any information about students or staff. You are not authorized to release information about students or staff. This includes identifying students in a course.
- Ask the individual who they are and who they represent. If they say immigration or any law enforcement agency, get their name and credential, and notify the SCCCD General Counsel's office, 559-243-7125. Also notify the SCCCD police department, 559-244-6140.
- Be polite and professional, and do not lie to immigration or the law enforcement officer or agent.
