

Preparing for your appointment with a participating provider

For POS and PPO members

If you have a point-of-service (POS) or preferred provider organization (PPO) plan with Kaiser Permanente Insurance Company (KPIC), you can get care from participating providers or any licensed provider you choose.^{1,2}

Find participating providers

You can visit any licensed provider you'd like for care. But to help limit cost, we recommend choosing one in the PHCS Network for KPIC in Kaiser Permanente states (California, Colorado, Georgia, Hawaii, Maryland, Oregon, Virginia, Washington, and the District of Columbia) or the Cigna HealthcareSM PPO Network in non-Kaiser Permanente states.^{3,4}

To find participating providers, visit kp.org/kpic/ca.

Help make your appointment easier

1. Before getting care, make sure your doctor or medical facility is accepting new patients.
2. Remember to let them know that your KPIC POS or PPO plan can access the PHCS Network or Cigna Healthcare PPO Network.
3. Bring a copy of this flyer to your appointment and present it at check-in. Also, keep a copy for your records.

Don't forget your ID card

Your most recent ID card has important information to help you check in for your appointment, like the name of your health plan and your medical record number.
