

**Second Amendment to Management Employment Contract Between
State Center Community College District and Dr. William Andy Dunn**

William Andy Dunn, an Interim Educational Administrator, and the State Center Community College District agree as follows:

1. Dr. Dunn is employed as the District's Interim Vice Chancellor, Finance and Administration pursuant to an employment contract effective June 15, 2023. The term of the current term employment contract is from June 15, 2023 through December 22, 2023.
2. Dr. Dunn and the District agree to amend the Educational Administrator Employment Agreement. Once signed by both parties, this Second Amendment will serve as mutual written consent between the Dr. Dunn and the District pursuant to Paragraph 11(a) of the existing employment contract.
3. The Board of Trustees Resolution appointing Dr. Dunn indicated the appointment would end "on June 6, 2024, or when the permanent Vice Chancellor, Finance and Administration begins, whichever occurs first." The June 15, 2023 employment contract incorrectly indicated that it was effective only through December 22, 2023.
4. Dr. Dunn and the District agree that the employment contract should be extended to match the Resolution. Dr. Dunn and the District agree that the employment contract term shall be extended through June 6, 2024, until either Party terminated the employment contract, or when the permanent Vice Chancellor, Finance and Administration begins, whichever occurs first.
5. All other terms and conditions of the Agreement shall remain unchanged.
